

Experience the Morning Star Difference

# **CAMP MORNING STAR 2020**

# *Welcome!*

Whether you and your family are just getting to know us, or you are returning to Morning Star for another fun and exciting summer, we welcome you to Summer Camp 2020. The summer camp counselors are committed to providing your child with a safe and highly stimulating camp program this year. Each week your camper will enjoy an exciting themed week filled with field trips, visitors, and fun activities. Campers will learn and grow together through art, science, math, and language activities that are offered throughout the summer.

Our camps put a large focus on S.T.E.A.M. and educational experiences such as coding, robotics, drafting and more. The field trips are a fun and exciting part of camp that parents are encouraged to be a part of. In addition to staff, we ask that each trip be chaperoned by at least two adults to ensure that all trips are fun and safe for everyone. Without parent participation, these trips cannot happen. Sign up and enjoy the opportunity to spend time with your camper and see all that East Tennessee has to offer!

Camp Morning  
Star has designed  
three different  
camps, each aimed  
to keep your child  
learning and  
having fun all  
summer long!
