CAMP MORNING STAR 2019

EXPERIENCE THE MORNING STAR DIFFERENCE

KICKING OFF MAY 24th

W
elcome!

Whether you and your family are just getting to know us, or you are returning to Morning Star for another fun and exciting summer, we welcome you to Summer Camp 2019. The summer camp counselors are committed to providing your child with a safe and highly stimulating camp program this year. Each week your camper will enjoy a new and exciting themed week with field trips, visitors, and fun activities. We also will be continuing with our outdoor classroom where the campers will learn, teach, and grow together through art, science, math, and language activities.

New this year, all our camps will be putting a larger focus on S.T.E.A.M. Campers will learn things such as coding, robotics, drafting and more. We will also be offering two lunch choices each day. In addition to the planned menu item, children will be able to choose a sandwich option as well.

Field trips are a fun and exciting part of camp, but they cannot happen without parent participation. We are asking that each trip be chaperoned by at least two adults, in addition to staff, to ensure that all trips are fun and safe for everyone. Sign up for a trip and take this opportunity to spend time with your camper and see all that East Tennessee has to offer!
